This is the stunning all new RZ450e, Lexus first full electric SUV.

Incorporated with low-loss battery technologies, the Lexus RZ has an indicative range of 251-271 miles. High-output charging capability and battery warming system allows for the charging of batteries in a short time, even in the winter and in colder regions. Improved battery control technology ensures the capacity retention rate (in testing retained capacity was 90% in the equivalent of 10 years usage) and allows customers to confidently drive the vehicle for long periods of time.

This RZ has been upgraded with the Takumi , which gives it fantastic spec as standard. It features the new 14" Lexus touch screen, 360 parking camera, Heads up display, 20" Diamond cut Alloys, Pan Roof, Full Elec heated & Cooled seating, New Lexus Voice Command, plus much much more

U.K. and Ireland delivery available
