£22,285

Looking for an exceptional used vehicle that delivers top-notch performance, has a stellar reputation, and provides an overall outstanding driving experience? Look no further than the Toyota BZ4X 150kW Motion 71. 4kWh 5dr Auto [11kW]. This electric car combines power and efficiency like never before, making it a desirable choice for eco-conscious drivers who refuse to compromise on style or performance. With its impressive specifications and advanced technology, this Toyota model is sure to exceed your expectations. Get ready to turn heads with the striking red paint color of this Toyota BZ4X. Combined with sleek black accents like the roof rails, wheel arch mouldings, and lower front grille shape, this electric beauty exudes confidence and sophistication. The body colour shark fin antenna adds a touch of sportiness while the LED headlights and rear combination lights illuminate the road ahead in style. Plus, with privacy glass adding a touch of exclusivity to your drive, you'll feel like you're cruising in luxury every time you hit the road. The features & options available in this Toyota BZ4X are truly impressive. From state-of-the-art audio and communications systems to driver assistance features such as adaptive cruise control and lane departure alert with steering control – every aspect of your driving experience is taken care of. Step inside to discover ambient lighting on interior door handles, leather-like front door armrests for added comfort, dual-zone automatic air conditioning for ultimate convenience during long drives, and heated seats perfect for those chilly mornings. The safety aspects also stand out, such as pre-collision system with pedestrian detection and multiple airbags including side curtain shield airbags for optimum protection. As if that wasn't enough,
