

Hyundai IONIQ 5 168kW Premium 77 kWh 5dr Auto [Part Leather] | 2024

HEATED SEATS AND STEERING WHEEL, CRUISE CONTROL, 19' ALLOY W

£28,495

The Hyundai IONIQ 5 168kW Premium 77 kWh is an impressive electric vehicle that combines cutting-edge technology with a seamless driving experience. This automatic model offers an efficient and smooth drive, making it an ideal choice for those seeking a modern and eco-friendly vehicle. With features such as smart high beam headlights and a V2L (Vehicle to Load) system, this car provides a versatile and safe driving experience, ensuring that drivers can enjoy both urban and motorway journeys with ease. The sleek black exterior of the IONIQ 5 is complemented by its stylish design elements, including anthracite side sills and chrome bodyside mouldings. The dual LED low and high projection headlamps, coupled with LED rear combination lights, enhance its contemporary look while ensuring excellent visibility. Other notable exterior features include body-coloured door handles, a shark fin roof aerial, and a rear roof spoiler with an integrated LED brake light, all contributing to the vehicle's sophisticated aesthetic appeal. Inside, the IONIQ 5 offers a thoughtfully designed cabin with part leather upholstery and a leather-wrapped steering wheel, adding a touch of luxury to the interior. The 12.3" touchscreen satellite navigation and media centre, alongside the 12.3" Full TFT drivers supervision instrument cluster, ensures a connected and informed driving experience. Safety and convenience are prioritised with options such as blind spot collision avoidance assist, smart cruise control with stop-and-go functionality, and lane keep assist. The inclusion of features like heated front seats, dual zone climate control air conditioning, and a wireless phone charging pad further enhance the comfort and practicality of this vehicle.
