The Volvo XC40 170kW Recharge Plus 69kWh delivers an impressive electric driving experience, combining power with efficiency in this automatic model. Its electric capabilities ensure a quieter, smoother drive, with the added benefit of lower emissions. This model is equipped with adaptive brake lights and automatic LED headlights, enhancing visibility and safety during all driving conditions. The inclusion of driver assistance features such as pilot assist, adaptive cruise control, and lane keep assist ensures a supportive and secure journey, making it a highly appealing choice for those seeking a dependable and modern vehicle. The XC40's aesthetic is both refined and contemporary, highlighted by its sleek grey exterior. The high gloss black features, including the front and rear skid plates, lower front bumper, and window trim, add a sophisticated touch. Dark tinted windows and a colour co-ordinated front grille further complement its stylish design. The vehicle's exterior also features practical elements such as integrated roof rails and puddle lights, ensuring both functionality and elegance. Inside, the Volvo XC40 offers a range of notable features designed for comfort and convenience. The interior boasts a 12.3" Progressive Driver Display and a 9" centre console with a touch screen, providing seamless access to navigation and entertainment, supported by Google services and smartphone integration. The cabin is thoughtfully designed with 2-zone electronic climate control, power-adjustable front seats with memory, and flexible load floor storage. Safety is paramount in this model, evident through systems like the City Safety feature, which includes pedestrian and cyclist detection, and the SIPS (Side Impact Protection System). Additionally, the vehicle is
