Introducing the Toyota BZ4X 150kW Motion 71.4kWh, a sophisticated and environmentally friendly electric vehicle. This model boasts an automatic transmission and promises a seamless driving experience, making it an ideal choice for those looking to embrace modern, sustainable motoring. The electric powertrain ensures smooth and quiet operation, while the 11kW charging capability provides convenience for your daily travels. Key features such as the adaptive cruise control and emergency driving stop system enhance safety and provide peace of mind on every journey. The exterior of the BZ4X is elegantly finished in a sleek white paint, complemented by the distinctive black lower front grille and black wheel arch mouldings. The stylish body-coloured shark fin antenna and door handles add a touch of sophistication, while the black roof rails provide practicality for additional storage needs. The vehicle's design is further accentuated by LED headlights, daytime running lights, and privacy glass, contributing to both its aesthetic appeal and functionality. Inside, the Toyota BZ4X offers a harmonious blend of comfort and advanced technology. The cabin features partial synthetic leather upholstery with white ambient lighting, creating a welcoming and futuristic atmosphere. Notable options include a 12.3" multimedia display screen with wireless smartphone integration, a 360-degree panoramic view monitor, and a heated steering wheel for added comfort. Safety and convenience are prioritised with the inclusion of Toyota Safety Sense 3, a blind spot monitor, and various airbags, ensuring that occupants are well-protected at all times.
