The KGM REXTON 2.2 K50 5dr Auto stands out as a robust and reliable vehicle, offering a diesel engine coupled with an automatic transmission for a smooth driving experience. The model is equipped with an array of advanced features such as trailer sway control, a high-strength steel construction, and an ultra-rigid quad frame, making it a dependable choice for those requiring strength and stability on the road. With its smart power tailgate and programmable auto dipping door mirrors, convenience is at the forefront, enhancing the ease of everyday use. Styling of the REXTON is both sophisticated and practical, highlighted by its striking black metallic paint. The exterior features black and silver roof rails, black side steps, and a chrome-trimmed statement grille, lending an elegant yet rugged appearance. The inclusion of LED lights throughout—ranging from headlights to rear number plate lights—ensures visibility while adding a modern touch. Furthermore, the vehicle is equipped with a power sunroof and privacy glass, offering both style and functionality. Inside, the REXTON boasts premium nappa leather seats with suede inserts, complemented by a wealth of comfort features such as heated front and rear seats, a heated steering wheel, and dual-zone automatic air conditioning. Technological advancements include a 12.3" HD screen with Tom Tom navigation, Apple CarPlay, Google Android Auto, and a 3D around-view camera monitoring system. Safety is paramount, with features like electronic cruise control, blind spot detection, and multiple airbags providing comprehensive protection for all passengers.
