The 2023 Ford Transit 2.0 EcoBlue 130ps H3 Trend Van is a powerhouse of practicality, efficiency, and cutting-edge technology. Featuring a robust 2.0L EcoBlue diesel engine with 130ps, it offers outstanding fuel economy and ample torque for heavy loads, making it ideal for both city deliveries and long-distance hauls. With its high-roof (H3) design, the van boasts exceptional cargo space and easy accessibility, perfect for businesses with demanding transport needs. Inside, the cabin is thoughtfully designed for driver comfort and convenience, featuring modern tech like Ford's SYNC infotainment system, DAB radio, , and a multifunction steering wheel. Safety is a priority, with advanced features such as front and rear parking sensors, lane-keeping assist, and pre-collision assist. The Transit's proven durability, low running costs, and strong resale value make it a dependable investment for any business. The 2023 model truly sets the benchmark for professional vans
