Brand new 2025 Nugent tilt and slide recovery body just fitted Hydraulic winch Second car lift Tool box Beacons 3 seater Manual Introducing the Iveco Eurocargo – the ultimate blend of reliability, performance, and modern upgrades for commercial vehicle operators. With just 31,578 miles on the clock and only one previous owner, this powerhouse is ready to elevate your business. Now featuring a brand-new 2025 body, expertly fitted and supplied by Nugent Coachworks, this Eurocargo is built for maximum efficiency. It comes equipped with a tilt and slide hydraulic bed, ensuring effortless vehicle loading and unloading. The addition of a hydraulic winch, 2-car lift, and towbar provides exceptional versatility, while hazard and recovery lights enhance visibility and safety in all conditions. For even greater convenience, this vehicle is fitted with a wireless tail lift control, allowing seamless operation from a distance, making loading and unloading more efficient than ever. Finished in a classic white, the Iveco Eurocargo exudes professionalism and durability. Its spacious, driver-focused cabin is designed for comfort, featuring ergonomic seating and intuitive controls for a seamless driving experience. This low-mileage, fully upgraded truck isn't just a vehicle—it's an investment in your business's future. Contact us today to arrange a viewing and experience the newly enhanced Iveco Eurocargo for yourself. Your journey to success starts here.
