

MINI HATCHBACK 135kW Cooper S Level 2 33kWh 3dr Auto | 2021

UP TO 144- MILE EV RANGE, REAR PARKING CAMERA, ALLOY WHEELS

£13,545

The Mini Hatchback 135kW Cooper S Level 2 33kWh is a delightful electric vehicle offering an engaging driving experience with its automatic transmission and responsive handling. This model is equipped with a powerful electric motor, making it ideal for urban commuting or longer journeys. Beneficial features such as auto dimming and folding door mirrors, rain sensor window wipers, and dynamic brake lights enhance the driving experience, providing convenience and safety in various conditions. In terms of styling, the Mini Hatchback impresses with its sleek silver paint finish, complemented by distinctive elements like the bonnet scoop and radiator grille featuring the E badge. The exterior is further enhanced by LED headlights with a closed ring and daytime running lights, as well as rear LED lights with a union jack design, giving this vehicle a modern and sophisticated look. The charging flap embossed with the e logo adds a unique touch, subtly indicating its electric capabilities. The interior is thoughtfully designed to maximise comfort and convenience. It features a 3-spoke sports multifunctional leather steering wheel with integrated controls, 3-stage heated front seats, and a digital instrument cluster. For entertainment and connectivity, the vehicle offers compatible mobile phone Bluetooth with audio streaming. Practical elements include a 60/40 split folding rear seat, height-adjustable passenger seat, and ample storage compartments. Safety is prioritised with features such as 6 airbags, a tyre pressure monitoring system, and a robust alarm system, ensuring peace of mind on every journey.
