

Fiat Fullback 2.4 180hp Cross Double Cab Pick Up Auto | Sep 2018

AUTOMATIC, BLUETOOTH

The Fiat Fullback is a strong and capable one-tonne pick-up that's based on the Mitsubishi L200. Like the Mitsubishi, the Fiat has impressive off-road credentials, with four-wheel drive, rugged styling and lots of ground clearance. It's excellent at the heavy duty stuff too, with its 2.4-litre diesel engine capable of towing 3.1 tonnes when hooked to a braked trailer. Officially, the Fullback is based on a 'technical platform of absolute and tried and tested value'. However, in layman's terms, the Fullback is basically a rebadged L200. Admittedly, it gets its own grille design and tweaked headlight lights, but there isn't much else to tell it apart.
