

Renault Symbioz 1.6 E-Tech Fhev 145 Techno Esprit Alpine 5Dr Auto | NEW

BRAND NEW IN STOCK

£30,995

1. Efficient Hybrid Powertrain The Symbioz is powered by a 1.6-liter E-Tech Full Hybrid Electric Vehicle (FHEV) system, delivering 145 horsepower. This setup combines a petrol engine with electric motors, providing: Impressive fuel efficiency and reduced emissions, making it an eco-friendly option. Seamless power delivery with an automatic transmission, ensuring smooth acceleration and a refined driving experience. Regenerative braking to recover energy, enhancing efficiency in city driving. 2. Advanced Technology and Features Equipped with the Techno Esprit Alpine trim, the Symbioz boasts a suite of advanced tech: A high-resolution touchscreen with Renault's Easy Link infotainment system, offering Apple CarPlay, Android Auto, and navigation. Driver-assistance features like adaptive cruise control, lane-keeping assist, and automated emergency braking for a safer driving experience. A customizable digital instrument cluster for clear and intuitive access to driving information. 3. Dynamic Design with Alpine Touch The Esprit Alpine package enhances the Symbioz's sporty appeal: Aerodynamic styling with Alpine-inspired elements such as exclusive badging, unique alloy wheels, and a more aggressive front fascia. A sleek estate body style that combines elegance with practicality, providing ample space for both passengers and cargo. LED lighting all around for improved visibility and a modern look. 4. Comfort and Practicality Renault has ensured that the Symbioz excels in comfort: Premium interior materials with supportive seats and soft-touch surfaces. A spacious cabin with generous legroom for both front and rear passengers. Large boot capacity and flexible seating configurations, making it perfect for family trips or carrying bulky items. 5. Cost Efficiency and Ownership Benefits Competitive pricing for its segment, offering great value for the
