The 2025 Dacia Sandero Stepway 1.0 TCe Extreme 5Dr Hatchback is a rugged, budget-friendly, and practical choice if you want a crossover-style hatchback with modern tech, efficiency, and great value for money. Here’s why it’s worth considering:

- Affordable with Great Value** The Sandero Stepway is one of the most affordable crossover-style hatchbacks on the market, yet it doesn’t compromise on essential features. With SUV-inspired styling, a raised ride height, and robust practicality, you get the best of both worlds—a small car’s efficiency with the versatility of an SUV.
- Efficient and Punchy Turbocharged Engine** The 1.0 TCe 90 engine delivers 90hp, offering a good balance between fuel efficiency and performance. The turbocharged petrol engine ensures smooth acceleration, while the six-speed manual gearbox provides a refined drive. Expect good fuel economy (~50+ mpg), keeping running costs low.
- Rugged SUV-Inspired Styling** The Extreme trim enhances the Sandero Stepway’s rugged character with:
 - Unique 16-inch black alloy wheels
 - Chunky black wheel arches for an off-road look
 - Increased ground clearance for better road presence
 - Roof bars for extra practicality
 - Exclusive color options for a standout style
- Spacious and Practical Interior** Despite being a compact hatchback, the Stepway offers plenty of cabin space for passengers. The high driving position provides a great view of the road, and the 328L boot is big enough for luggage and shopping. Plus, rear seats fold down, expanding storage for bigger loads.
- Modern Tech and Comfort Features** The Extreme trim comes with a well-equipped interior, including:
 - 8-inch touchscreen infotainment system with smartphone mirroring
 - Apple CarPlay & Android Auto for seamless connectivity
 - Wireless charging (optional) for added
