The Renault CAPTUR 1. 6 E-Tech Plug-in hybrid 160 Techno 5dr Auto offers a sophisticated driving experience with its hybrid technology and automatic transmission. This vehicle is designed to provide both efficiency and performance, giving you the best of both worlds with its eco-friendly fuel type. Among its standout features are the automatic high/low beam and full LED headlights, which ensure optimal visibility during night-time driving. The inclusion of front and rear parking distance sensors, along with a rear-view camera, enhances manoeuvrability and safety, making it a practical choice for both urban and rural environments. The exterior of the CAPTUR is elegantly presented in a sleek grey finish, complemented by stylish body-coloured door handles and bumpers. The C-shaped LED lighting signatures add a touch of modernity, while chrome detailing around the front air deflectors and windows accentuates the vehicle's sophisticated design. The extra tinted glass in the rear windows and tailgate not only adds to its aesthetic appeal but also provides privacy and reduces glare. Practical features such as the longitudinal roof bars and rear wiper add convenience for everyday use. Inside, the Renault CAPTUR is equipped with synthetic leather and cloth upholstery, providing comfort and durability. The 10-inch full digital virtual cockpit and EasyLink 7-inch touchscreen with navigation keep you connected and informed on the road. Notable options such as the automatic climate control with air quality regulator and modular boot floor enhance the car's functionality and comfort. Safety is prioritised with features like the active emergency braking system, lane departure warning, and Renault's automatic emergency assist. The vehicle also supports smartphone integration, allowing
