

MG MG5 115kW Exclusive EV 61kWh 5dr Auto | 2022

**APPLE CARPLAY + ANDROID AUTO, HEATED FRONT SEATS,
CRUISE CON**

The MG MG5 115kW Exclusive EV 61kWh offers an efficient and environmentally friendly driving experience with its fully electric powertrain. This model delivers smooth and responsive handling, enhanced by its automatic transmission and three driving modes, which allow you to tailor your drive to suit road conditions and personal preference. With features like adaptive cruise control and a rear parking camera, this vehicle is equipped to make your journeys both comfortable and convenient. The striking silver paintwork of this MG5 complements its streamlined silhouette, while the body-coloured elements such as the door handles and bumpers create a seamless look. The car is equipped with bi-function projection headlights, LED daytime running lights, and front fog lights, ensuring excellent visibility. Silver roof rails add a touch of practicality and style, while the car's auto-dimming rearview mirror and rain-sensing wipers enhance your driving experience in varied weather conditions. Inside, the MG5 boasts a refined interior with leather style perforated upholstery and a leather steering wheel, providing comfort and elegance. The cabin features an 8" colour touchscreen with Apple CarPlay and Android Auto for seamless connectivity, and an iGo Navigation system to assist with route planning. Safety is paramount, with ISOFIX restraints, multiple airbags, and a tyre pressure monitoring system included. Practical elements such as a split-folding rear seat, multiple power sockets, and adjustable boot floor ensure that this vehicle caters to both daily needs and longer journeys
