2006 BMW M5 V10 - Ultra Low Miles, Huge Spec, Immaculate Condition

This 2006 BMW M5 V10 is a true collector's piece with just 48k warranted miles (79,000kms) from new, backed up by a massive Japanese service history. Imported from Japan in April 2022, it's finished in rare Alpine White paintwork and has just had the rod bearings and clutch replaced, giving real peace of mind.

Adaptive Bi-Xenon headlights

Double glazed windows with chameleon rear tints

Rear blind, electric glass sunroof

Heated electric black leather interior

Sat nav, head-up display, and more

Recently treated to a full ceramic coating, this M5 is in incredible condition, fully UK registered, and ready to drive away.

Without doubt one of the best examples available. Viewing on a lift is highly recommended - it's as close to new as you'll find.
