Registered in 2013, this Leon TSI S has had only one owner. Great looking seat Leon all around, the bodywork is in really good condition and the interior is extremely clean throughout and is showing no signs of wear or tear!, The car itself drives perfectly with no faults it has only one owner from new and comes with a full service history backing up the high standard this car has been kept too!

This seat Leon is MOT'd until the end of October and is just after a full service making it fully equipped and ready to go!, The car comes equipped with an integrated Bluetooth handsfree system, including Bluetooth audio streaming, radio display screen , remote central locking , electric windows , two keys, air conditioning and much more.

These TSi engines are well known for their reliability and durability, especially if taken care off as well as this one!

The Leon achieves a fuel economy of 58 mpg, which means fewer trips to the petrol station compared to similar vehicles. With CO2 emissions of just 114 grams per kilometre, this car is kinder to the environment.

The boot space offers a generous 380 litres, providing ample room for luggage or shopping.

Acceleration from 0 to 62mph takes just 10.2 seconds.

Great car all around , come take a look for yourself!
