2016 Ford Focus RS MK3 - Mountune 375BHP, Low Miles, Top Spec

This 2016 Focus RS MK3 is a rare, high-performance example with just 23k miles and a full service history, including a recent head gasket replacement carried out by Desmond Ford Derry less than 500 miles ago - so it's good to go.

Mountune 375BHP upgrade - serious performance

Sunroof & forged alloys

Recaro shell seats for maximum support

SYNC 2 system & door edge protection

Finished in classic RS spec with all the right extras

A proper driver's car that's been maintained and modified the right way - these don't hang around.
