This is a Ford Transit Connect 200 Limited, registered in 2021. As a van with a 1.5L diesel engine, this particular model is the 1.5 200 EcoBlue Limited L1 Euro 6 (s/s) 5dr derivative, with a limited trim. It comes equipped with Seat Pack 31, which includes heated seats for added comfort. The fixed towbar expands its utility, while manual air conditioning keeps the cabin comfortable. Heated driver and passenger seats provide extra warmth during colder months, and the reverse parking aid makes maneuvering easier. With only one previous owner, this vehicle also boasts impressive fuel economy, achieving around 63 mpg. This excellent fuel efficiency means fewer trips to the pump and more savings on fuel costs compared to similar vehicles. Furthermore, its low CO2 emissions mean it is a more environmentally friendly choice.
