The 2022 Citroen Relay 2.2 BlueHDi H2 Van 140ps Enterprise is a versatile, powerful, and efficient van, perfect for businesses looking for reliability and performance. Powered by a 2.2L BlueHDi diesel engine, it delivers 140PS, offering impressive towing capacity and excellent fuel efficiency, making it ideal for long-distance deliveries or heavy loads. The Enterprise trim adds practical features like a touchscreen infotainment system, rear parking sensors, cruise control, and air conditioning for comfort on the road. With a high roof design, it provides ample cargo space, making it perfect for transporting large or bulky items. The Relay's robust build, smooth handling, and modern tech features ensure it stands out in the commercial vehicle market. Whether you're on the job or on the move, the Citroen Relay is built to meet your business needs
