The Toyota Prius+ Excel+ is a versatile and efficient hybrid MPV, designed to offer exceptional practicality without compromising on style or technology. As the top-tier trim, the Excel+ boasts a refined interior with premium materials, heated leather seats, and a panoramic roof that adds a sense of space and light. It comfortably seats up to seven passengers, making it an ideal choice for families or those needing extra room. The advanced hybrid system combines a 1.8-litre petrol engine with an electric motor, delivering smooth, quiet performance and outstanding fuel efficiency. Features include a high-resolution touchscreen with sat nav, DAB radio, and Toyota's full Safety Sense suite—incorporating adaptive cruise control, lane departure alert, and automatic emergency braking. With its sleek design, low running costs, and eco-friendly credentials, the Prius+ Excel+ is a smart and reliable choice for those seeking space, comfort, and cutting-edge hybrid technology in one well-rounded package.
