**£26,995**

The Cupra ATECA 1.5 EcoTSI V2 5dr DSG offers an engaging driving experience with its efficient petrol engine combined with an automatic transmission. This vehicle is designed to provide both performance and reliability, making it an ideal choice for those who appreciate dynamic driving. The innovative driving profile selection and conventional shock absorber ensure a smooth and adaptable ride, while features like a digital cockpit and cruise control system with a speed limiter enhance the overall driving experience. Aesthetically, the Cupra ATECA impresses with its striking grey paintwork and distinctive design cues. The body colour bumpers with dark aluminium diffuser, gloss black roof rails, and specific CUPRA design front bumper add a sporty touch to its appearance. The car is equipped with full LED headlamps with cornering function and dynamic indicators, ensuring excellent visibility and making a statement on the road. Dark tinted rear windows and gloss black side mouldings further accentuate its sleek and modern look. Inside, the Cupra ATECA offers a premium and comfortable cabin, featuring leather sport bucket seats and a heated steering wheel. Notable interior options include dual zone climate control, an electric driver seat with memory function, and a multi-coloured ambient lighting system that adds a touch of sophistication. The vehicle also boasts advanced safety features, such as front assist with autonomous emergency braking, a tyre pressure monitoring system, and a comprehensive set of airbags. With its wireless phone charger, self-parking functionality, and keyless entry system, the Cupra ATECA combines convenience with cutting-edge technology.
