EX- DEMO/ LOW MILES

Meet the Dacia Spring Extreme 65 - 100% Electric. 100% Freedom. Say hello to the city car with real character. The Dacia Spring Extreme 65 (48kW) is here to shake up what you thought you knew about electric mobility. Bold, robust, and refreshingly simple, it's the no-nonsense EV that's built for everyday adventures. With its exclusive Extreme trim, the Spring adds a tougher, more adventurous edge to its urban-ready design. Rugged black wheel arches, copper accents, and roof rails give it SUV flair in a compact package. It's the perfect combination of style and function, whether you're navigating narrow city streets or heading out for a weekend getaway. Powered by a punchy 65 hp (48 kW) electric motor, the Spring Extreme delivers a responsive and lively drive. Light on its feet and nimble in traffic, it offers smooth acceleration and impressive efficiency - ideal for zipping through urban jungles or cruising quieter country roads. And with up to 220 km of range (WLTP mixed) or up to 305 km in city driving, you can go further with full confidence. Inside, the Spring keeps it simple and smart. There's room for four, a spacious 290L boot, and plenty of clever storage. The intuitive 7" touchscreen with smartphone mirroring keeps you connected, while rear parking sensors and a reversing camera make every move easy. And thanks to its low running costs and generous standard equipment, the Spring proves that electric driving doesn't have to be expensive. Charging? It's a breeze. Plug in at home, at work, or at public charging stations - with DC fast charging available, you can top up to 80% in under an hour. The Dacia Spring Extreme 65 is everything you need and nothing you
