HISTORY FILE:

This car was registered new by PAT KIRK, FORD, Omagh on the 22nd September 2016, to a local lady. They retained the car until October 2018, when it was then supplied again by the same dealer to another local lady who retained the car until recently.

In their ownership, the car was maintained to a high standard, but in recent years was used less. It has been very well looked after and maintained over the years, and serviced regularly, with a stamped service book to verify.

Comes with both keys, all handbooks.

SUMMARY:

This is best described as a very tidy genuine example that has been very well maintained throughout its ownership and would make anyone smile.

This is such a genuine, low mileage example, that will not be bettered.
