HISTORY FILE:

This car was registered new in Philip Pieterse, Suzuki, in August 2011 to its first gentleman owner, he retained the car until January 2019, in that time, the car was maintained and serviced by Philip Pieterse, then by an independent garage.

In January 2019, it was then passed to its 2nd owner, who had the car until recently. In their ownership, the car was maintained to a high standard, but in recent years was used less. It has been very well looked after and maintained over the years.

SUMMARY:

This is best described as a lovely example that has been very well maintained throughout its ownership and would make anyone smile.
